Circuit Court Here Leads Downstate In Jury Cases

The Third Judicial Circuit composed of Madison and Bond counties had more jury verdicts during 1963 than any other downstate circuit, according to the current report of the Illinois court administrator.

The report, made by the administrative director to the State Supreme Court, recognizes the work record of Circuit Judges Joseph J. Barr, Harold R. Clark and James O. Monroe Jr. for the period Jan. 1 to Dec. 31, 1963.

The third circuit tried 98 contested jury cases in the year to lead all downstate circuits.

Second in the state was the 19th circuit (north of Chicago) with 96 contested jury cases. Third was the sixth (Champaign-Decatur) with 70. Following were the 18th (Chicago suburbs), 69; the 20th (St. Clair county), 68; and the 16th (Aurora-Evanston), 67.

Cook county led the entire state with 808 cases, more than eight times the number tried in the two local counties, but per judge the output was far less because there are more than 100 judges in Cook county, it was pointed out.

The downstate record set here was made by the three circuit judges in motion to their non-jury and other duties. Cases terminated during the year in the third circuit totaled 1727, including 1047 uncontested cases, 455 default divorces, 118 non-jury contested cases and nine contested divorces.

The three local circuit judges credited associate judges with considerable assistance during the year as the circuit judges prepared for consolidation under the new judicial article. The associate judges are Foss Meyer, Michael Kimney, Austin Lewis, Fred Schuman and I. H. Streger III.

School Hiring Procedures, Building Costs Discussed

Possible revision of cafeteria employee hiring practices was discussed by the Granite City school board during an executive session Tuesday night. Action was deferred pending completion of recommendations by Supt. Russell D. Johnson.

The board transacted regular business during an open session beginning at 8 p.m. The executive meeting started at 9:20 and continued until 11:10.

The regular session then was resumed for 15 minutes, being adjourned at 11:25; during this session, School Treasurer Monroe Worthen and Administrative Assistant Victor G. Anderson reported on a national meeting of school business officials which they attended this month in San Francisco, Calif.

Hiring procedures occupied much of the executive session; such closed discussions are attended by newsmen who are asked to use their discretion in what is reported.

The other topic in the executive session was the cost outlook regarding remaining phases of the May 1964 bond issue campaign, a new general school on an extension of Maryville road and an addition to Granite City high school.

The three committees are headed, respectively, by Central Principal B. J. Davis, Lake Principal Albert J. Mendez and GCHS Principal Lawrence McCauley. Detailed plans for the high school addition, consisting of a new cafeteria topped by classroom addition, will be transferred to Frohardt to Coolidge junior board members Tuesday night. The possible cost was discussed, and financial estimates are being sought by Nov. 25 on the two new schools.

Warning On Politics

During the discussion of hiring of cooks, a board member said that after a new procedure is set up, he feels remaining discretion in selecting employees should be left to the school board, not the superintendent.

A resignation was accepted from Mrs. Beulah Johnson, 2254 Cleveland blvd., who cited family responsibilities. She has been a physical education instructor at Central Junior high school.

A resignation was accepted from Mrs. Evelyn Fedora, who has a physical education at Central Junior high school.

A report in the meeting agenda by Supt. Johnson noted that \$634 for costs of the trip to San Francisco.

Bond Legal Costs

The board also authorized payments amounting to \$20,972 in the transportation fund and \$18,791 in the building fund, the latter including \$7625 related to the school bond issue.

Supt. Johnson suggested that no one over 55 be employed as a cafeteria worker, unless her application was submitted before reaching that age; under no circumstances would someone be employed who is 58 or older.

Defer Hiring Of Seven

No action was taken on a list of seven prospective cafeteria employees.

In other matters Tuesday night, the board hired two teachers.

Mrs. Lela Carol Jones, 2724 Harvey, will teach vocal music at Frohardt, grade school; her husband, Kenneth Jones, also teaches vocal music in the Granite City district. She has taught one year and holds a bachelor degree from South Missouri State.

Chicago Title & Trust Closes Branch Here

The branch office of the Chicago Title & Trust Co. located at 2021 Edison avenue, has been closed and the business handled at that point transferred to the company's main office in Edwardsville.

Ray Berger, manager of the Edwardsville office, said the Granite City location, when originally established, was centrally located in financial activity that justified its operation. Recently, he said, the office has received very few orders. It has been operated only as an "order taking" office and all of the main work has been conducted through the Edwardsville headquarters, he explained. One employee operated the Granite City branch.

Infant Traffic Victim Rites Held Wednesday

Funeral services for Richard Wayne Bell, month-old son of Mr. and Mrs. Leroy Bell, 2845 Oregon street, were held Wednesday morning while his parents, sister and brother remained patients in a Missouri hospital as the result of an auto accident in which the infant was fatally injured. Services were held here with burial in St. John's cemetery.

The baby died in the South-east Missouri Hospital at Cape Girardeau, Mo., about 3 p.m. Sunday, about two hours after the car driven by his father and another collided head-on on Missouri Route 61 near Old Appleton, Mo. The infant's brother, Michael Allen, 5, and sister, Linda Faye, 2, were scheduled to be released from the hospital today. The father and mother are expected to remain in the hospital at least another week, it was reported. Mrs. Bell was the most seriously injured of the four survivors.

GO 'Years Ahead'

Granite City school food bill procedures were praised as being years ahead of some districts, and the U.S. school building officials decided on Anderson's motion to cooperate with the national cafeteria directors association in developing recommended food purchasing procedures.

Linder said such meetings could aid the school system in either substituting its methods of improving them.

The president urged a similar approach to the state school board association meeting Nov. 22-24 in Chicago, with Granite City board members dividing up there to study as many topics as possible. He was designated Tuesday night at delegate, with Robert Cyder as alternate.

Republican Women Club Completing Campaign

The campaign committee of the Republican Women's Club met Tuesday afternoon with Mrs. Vernice Wortman at GOP headquarters.

Mrs. Grace Pinkston, treasurer, reported funds were received to provide for a tape recording of national and state candidates to be broadcast.

A meeting was called for 3 p.m. Friday at the headquarters for Republican women to volunteer their services during the last hours of the campaign.

Mrs. Helen McAnally, president, and Mrs. Wortman attended a meeting in Belleville to hear the GOP Presidential candidate, Barry Goldwater, Wednesday and were present at the breakfast for Richard Nixon this morning in East St. Louis.

Kiwanis Peanut Sale Friday To Finance Youth Programs

Granite City Kiwanis will double as peanut vendors tomorrow from 11 a.m. until 9 p.m. in the downtown area and at the two shopping centers when club members will offer 3000 bags of peanuts for free-will donations during the annual "Kids' day" sale.

Proceeds will be used exclusively for boys and girls work. It was explained by Joseph Acquaviva, Kiwanis president, to more than 40 Kiwanis and their guests who attended a "ladies night" dinner meeting Monday at the Rose Bowl restaurant.

The men will be assisted by wives in the sale which will continue Saturday should any of the supply remain unsold.

"Our Changing Needs in Education" was the topic of the speaker, Frank Rogers, a Granite City Steel Co. chemical engineer, who described the local plant-sponsored education institute.

The floral centerpiece at the dining table was presented as a gift to Mrs. Harry Marshall. Each of the wives present received a surprise gift of nylon hose from Melvin Gillie, manager of the W. T. Grant store, in the Nameoki Village shopping center. Gillie will host a dinner meeting at the new store for club members next Monday.

Boy Scout Troop 12 Holds Court of Honor

A court of honor was held Monday night at Niedringhaus school by Boy Scout Troop 12, and three new scouts, Robert Kozyak, James Bagel and Gerry Escaler, were enrolled. Scoutmaster Fred Hacke, who explained scouting to the boys and their parents, announced a weekend campout next month at New Salem State Park.

An installation for newly-elected patrol leaders was held. Participating were Garry Schmitz, Eagle; James Anderson, Rattlesnake; Fred Shelton, Beaver and David Morgan, Bear. Assistant leaders are Larry Hacke, James Kozyak, Star; and Craig Maer, Garter. David Daniels and Marlene Evans. Craig Maer is the new scoutmaster and John Tucker is the new quartermaster.

First and second place Camp Scout patrol awards were presented to the Bear and Eagle patrols, and Hacke gave the troop the flag which flew at the campsite at the National Jamboree at Valley Forge in July.

Year pins were given out to junior leader patches were given to David Holmes, John Tucker, Garry Schmitz, and Larry Kozyak. Awarded were 22 merit badges, 28 Camp Scout patches and 24 Camporee and two adult leader Camporee patches.

Scoutmaster Hacke and Assistant Wilbur Shelton presented the following advancements: Life badge, James Anderson, David John, Larry Hacke and Garry Schmitz; Star badges, Craig Maer; First Class, Fred Shelton and John Tucker; and Second Class, Donald Conway.

Boys receiving Star and Life rank presented their mothers with pins of their rank.

Pictures of a recent hike and campout and of the National Jamboree were shown to the 85 persons present.

Granco Will Market Steel Liner for Ditches

Granco Steel Products Co., a subsidiary of Granite City Steel Co., today announced the development of a permanent steel liner for irrigation ditches and drainage canals which will carry water more efficiently than concrete and prevent leakage.

The firm has the trademark "Steel-Flor" for the new product for which it is seeking a patent. F. Alan Tarks, general manager, said the ditch liner is expected to win a ready market in western and southwestern states where irrigation and water conservation are important. The first marketing will be in Colorado.

The Steel-Flor line consists of V-shaped sections of high-strength, galvanized steel, and the 16-foot sections can easily be carried by two men. The sections are connected by water-tight joints.

Johnson Tops Goldwater In Prather Mock Vote

President Johnson defeated Senator Goldwater by a vote of 620 to 91 in a mock election conducted Tuesday at Prather junior high school.

Gov. Kerr defeated GOP candidate Percy 450 to 129, and Congressman Melvin Price topped his Republican opponent Mirza by 571 to 68.

Turns Head, Hits Taxi

William Boyd, 2201 Dewey avenue, told police he turned his head for an instant while driving and struck the rear of a taxicab operated by Vern Cochran, 1320 Meridian street, at 6:30 a.m. Wednesday at 14th and State streets. Both vehicles were damaged.

The sections are connected by water-tight joints.

McCambridge Ave. Work May Start Soon—Mayor

Plans and specifications for improvement of McCambridge avenue are in the hands of state highway division engineers. Mayor Stephen Marras announced at a short meeting of the Madison city council Tuesday night.

He expects approval soon so that work can start shortly on curbs and gutters on both sides of the street and sidewalks on one side. Resurfacing of the roadway will be delayed until spring, he said, because of weather conditions.

The council has appropriated \$40,000 in motor fuel tax funds for the project, to extend from the Edwardsville road curve to the north city limits.

Mayor Marras also announced that he has written to Thomas C. Jackson, director of the Illinois Office of Economic Opportunity at Springfield, seeking particulars on the economic opportunities act dealing with the federal anti-poverty bill.

He said \$25 to \$30 million will be available to Illinois in conjunction with the program. He said it is advisable "to see if it affects us, and if so to what extent and what we must do to qualify."

The council approved the appointment of Thomas E. Volok, 23, of 825 Grand avenue as a probationary fireman to fill a vacancy on the Madison volunteer fire department.

The council also approved bills, including one for \$40 from the St. Louis Testing Laboratories for testing a water sample to help determine sewage costs for a prospective industry.

Man Fined \$45, Costs

James Hammett, 1746 Edison avenue, was fined \$20 on a right-of-way violation charge and \$25 on a charge of driving without a license when he appeared before Magistrate Gasparovic Wednesday. He was arrested on Sept. 20.

Young Driver Arrested

John D. Hagen Jr., 2138 Cleveland blvd., was arrested Tuesday at 29th and State streets on a charge of improper passing and lane usage. A hearing was set for Nov. 7.

Rapoff Pleads Innocent To Late Liquor Sales

Jordan Rapoff, proprietor of the Orchid lounge, bypassed 60 and Maryville road near Mitchell, pleaded not guilty Monday in Edwardsville to a charge of illegal sale of liquor after hours.

He was released on his own recognizance bond of \$250 set by Magistrate William J. Hubbard pending a hearing on Nov. 23.

A warrant was filed against Rapoff Monday morning after a raid.

Warriors Strive for Best Mark Since 1946

Sophs Catch Upset Fever, Down Flyers

Following the variety's lead, the Granite City high school sophomores downed their East St. Louis counterparts 17-6 Monday at Parsons Field.

Like East Side's variety, upset by the Warriors last week 16-7, the Flyers' sophs were previously unbeaten. The GCHS sophs went one point up on their elders by scoring a three-point field goal instead of a safety.

The young Warriors, coached by Leon Chappell and Babe Chapman, went ahead early when their second play—a pass from Steve Conway to Ronnie Turner—netted 80 yards and a touchdown. Dan Partney's extra point kick gave Granite City a 7-0 lead that held to the half.

In the third quarter, Partney boosted the edge to 10-0 with a field goal. The ball was at the 25-yard-line and Partney kicked from the left hash mark, the kick actually traveling about 42 yards.

A touchdown on Pete Robinson's long run enabled the young Flyers to close the gap to four points.

Fumble Recovery
Granite City didn't clinch the victory until the last two minutes, when Rick Henley recovered an East Side fumble in the end zone for a TD. Partney again kicked the point.

A 48-yard end run by Jim Norris helped set that last score. GCHS was stopped short of the goal, but the fumble came on the host team's second play after taking over on downs.

Chappell, who formed the victory "a great all-out team effort," said his squad is tied with 2nd Side and Belleville with one loss each in the Southwestern Conference sophomore race.

So, barring late-season upsets, a three-way tie appears in the offing.

Warriors to Run In District Meet

Cross country athletes from Granite City high school, who won a dual meet Monday, will compete in Saturday's district meet at Alton. The race begins at 10 a.m. at the Rock Springs course.

The Warriors defeated Triad's varsity 25-32 Monday at Wilson Park by capturing places third through seven. Scoring for GCHS were Mike Forecud (10:24), Steve Stamps (10:25), Jim Stephens (10:25), Dave Lomax (10:29) and Keith Wilson (10:30).

Gary Bull of the visiting Knights won in 10:01.

The Triad junior varsity won 18-38 with Bob Brendel winning in 10:51. Granite City's Pat Hopper (11:00) was third.

Coach Dick Harmon expects Alton, Belleville, Edwardsville and East St. Louis to be the strongest teams in the B-team district, which will qualify runners for the state finals in Champaign.

Homecoming Victory Over Tigers Would Be Team's Sixth of Season

A victory over Edwardsville tomorrow night would assure the Granite City Fighting Warriors of their best season, percentage-wise, since 1946 and give them a chance at becoming one of the top teams in the high school's football history.

After last week's stunning 16-7 upset over East St. Louis, coach Jim Morrison's team has a 5-1 record going into the annual homecoming affair with the visiting Tigers (1-5). Kickoff time is 8 p.m. at the GCHS field.

Should the Warriors defeat Edwardsville, they could have no worse than a 6-3 final record for a .667 percentage—best since the 1946 squad, coached by now-philosophical Lawrence McCalliey, which had a 7-1 record for .875.

Since 1946, two other GCHS teams have won six games but played 10 games instead of nine and thus finished with lower percentages. They were Andy Sullivan's 1955 club (6-1, .650) and Byron Bozarth's 1950 team (6-1, .600).

And suppose, as Granite City fans fervently hope, the Warriors finish with wins over Edwardsville, Quincy and Belleville; they'd have an 8-1 final record and tie with the 1936 team as the third best in GCHS's 44-year gridiron history.

The only two records out of record books established in 1928 (9-0) and 1930 (8-0-2), the school's only two undefeated seasons. In addition, the current team has a chance at winning, or at least tying, for the first Southwestern Conference championship since 1946.

Battling Let-Down
The coaching staff has been battling this week against psychological let-down by the Warriors, a natural aftermath of a big upset.

Offsetting the tendency to let-down, however, are:

1. The opportunity to become the school's top team since 1946.
2. The homecoming atmosphere.
3. Retention of the Players' Memorial Trophy, a beautiful traveling cup dedicated to the memory of graduates of the two high schools killed in World War II and the Korean conflict.

The Warriors gained the first of the cup last year when they used in Russia's sport.

In addition, three sophomore defensive ends—Terry Moore, Rick Henley and Bob Odum—along with junior Steve Johnson and senior John and Jim Pomeroy and others are available for the cup last year when they used in Russia's sport.

Basketball Rules Meeting
A basketball rules interpretation meeting for officials, coaches and principals has been set for 8 p.m. Nov. 16 at Edwardsville high school. The Illinois High School Association announced today. Tom Frederick will be the interpreter.

Petrillo Eighth In Scoring Race

Granite City's Nick Petrillo is tied for eighth in the area's prep football scoring race with 36 points, all tallied in the first four games.

Belleville's Clyde Kuehn leads the scoring race with 58 points on nine touchdowns and four extra points.

Next are Mike Kravitz of Wood River and Dave Chappell of Alton Marquette with 36 each.

Next in order are Danny Gilmore, Cahokia, 43; Tim Kattana, Belleville, 42; and Glen Pool, Belleville, 42 each; Jim Restis, East St. Louis, 40; and Petrillo, Jesse Smith, Lincoln, 36.

Following Petrillo in the team scoring standings are: Gary Johnson, 24; Ricky Turner and Joe Hauptman, 12 each; and Tom Craycraft, Mike Mounce, Rick Whitsett, John Lakatos, Charles Terman, Cahokia, and Mike Lennon, Belleville, 36 each.

Following Petrillo in the team scoring standings are: Gary Johnson, 24; Ricky Turner and Joe Hauptman, 12 each; and Tom Craycraft, Mike Mounce, Rick Whitsett, John Lakatos, Charles Terman, Cahokia, and Mike Lennon, Belleville, 36 each.

Awards Aplenty For GC Gridders

It might be expected that there were special awards aplenty dished out to Granite City high school football players after their surprise victory at East St. Louis.

Joe Hauptman, senior end tackle, was the Fighting Warrior of the Week. Among other things he caught a touchdown pass with a great dive, punted seven times for good yardage and cleverly booted most of them out of bounds and away from the fleet Flyer backs, recovered a fumble leading to a 27-yard bang, and a third-quarter back most unlikely for repeated losses.

Senior linebacker Jerry Lybarger won the Chuckies Ake Award as the overall defensive standout. He accumulated something like 14 tackles in the game.

He also stars, badges of extraordinary effort which are attached to the players' helmets, went to practically everybody including the entire defensive unit.

The stars went to Hauptman, Lybarger, Leonard Reville, Mike Mounce, Ricky Turner, Jerry Mounce, Ernie Kern, Dan Messey, John Russell, Chuck Mizerski, John Evenden, Jerry Mounce, Eddie Brokaw, Harry Briggs, John Pomeroy, Bill Partney, Nick Petrillo, Gary Johnson and Doug Winfield.

Stars are awarded for such things as "100% effort," fumble recoveries, punt and kickoff coverage inside the 20-yard-line, and pass interceptions.

Roxana Wins 12-0 Over Young Trojans

Madison high school's freshman-sophomores took their third defeat against two wins Monday when host Roxana won a 12-0 decision.

All of Roxana's points were scored in the first quarter but there the young Trojans' defense slammed the door. The Madson offense, however, didn't click and the closest the locals came to scoring was the Roxana 15-yard-line.

The frosh-sophs are scheduled to end their season Monday night at Highland.

GC Park to Present 160 Sport Trophies

A total of 160 trophies, largest number ever, will be presented at the Granite City park district's fifth annual sports awards banquet at 6:30 p.m. Tuesday at the Granite City high school cafeteria.

A capacity audience of 450 is expected for the banquet, originally scheduled for the Community Center but later switched to GCHS, said Harold Brown, director of parks and recreation.

Jack Buck, St. Louis sports-caster, will be the main speaker. Also present will be Ken Gray and John David Crow, offensive captain and star back respectively for the St. Louis Cardinals football team, and Dal Maxvill, infielder for the baseball Red Birds.

Buck, married and the father of six children, is best known for his play-by-play commentary of the baseball Cards' games. He is also sports director and host of a variety of programs on a St. Louis radio station. He is a graduate of Ohio State University.

Gray, a 250-pound guard and former standout at Howard Payne University in Texas, is in his seventh year with the Big Red. Maxvill, a native of Granite City and graduate of Washington University in St. Louis, was the starting second baseman as the Cards won the World Series.

Crow, powerful halfback from Texas A & M University, has been bothered for the past two seasons by a knee injury. In 1960, he gained a whopping 1071 yards rushing.

A feature of the banquet will be presentation of the park district's fifth appreciation award—a silver bowl given to an individual or organization making significant contributions to the betterment of the district and the youth of the community.

Previous winners were Jim Holland in 1960, Henry D. Karandjian in 1961, the Granite City board of education in 1962 and Milton Mathews in 1963.

Trophies will be presented to winning teams and individuals in flag football, basketball, softball, baseball and tennis competition supervised by the park district.

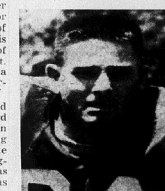

Barry Loman, park board president, will be master-of-ceremonies, with Rev. David B. Maxton of the First Presbyterian Church delivering the invocation and Milton Worthen, park board vice-president, giving the welcome.

Paul Schuler, a park board commissioner, will present the appreciation award. Maxvill will personally present the trophy for the champion Eagles in the baseball program's Dal Maxvill Atom Division.

Brown said that team managers who have not yet obtained tickets should contact him immediately.

Soph Quarterback Threat to Trojans

The accent will continue to be on youth for the Madison Trojans as they play host to Highland's Bulldogs tomorrow night in a Midwestern Conference game. Kickoff time is 8 o'clock at the MHS field.

Coach Glen Pickering said he will stick with the offensive and defensive lineups used last week in order to give juniors and sophomores more playing experience. Of the 16 players included in those lineups, only five are seniors.

One of the seniors, tackle Jack Miller, is a question mark due to a shoulder injury which has kept him on the sidelines in the past two games.

The Trojans, who have won just one of six starts, have been blanked four times. This season, will be facing a team with a record of four wins and two losses.

The Bulldogs defeated Carrollton 13-7, Duplo 23-0, Roxana 13-0, and Bethalto 32-6 while losing to Vandalia 27-7 and Cahokia 33-14.

Soph Leads Team

Pickering, who watched the Highland-Bethalto game, was particularly impressed with the work of Bulldog sophomore Brian Siever, the quarterback.

While Highland was held to only some 30 yards rushing by Bethalto, Siever completed 11 of 28 passes for 328 yards. Five of those good for 158 yards went to veteran end John Spengel.

Coach Frank Prehal, who frankly was looking for a rather dismal season, said: "There's no doubt Siever has been a pleasant surprise. I'd say we'd be 40% weaker without him. I was not counting on him at all; who

can tell what a sophomore will do?"

Along with Spengel, Siever has another excellent target in sophomore flanker Craig Marwaning, a basketball player who stands 6-3. "Both Siever and Marwaning lifted weights all summer," said Prehal, "and it aged them two years physically. I never believed in weightlifting before but this has sure changed my attitude."

Usually Run More

Although most of the Bulldogs yardage against Bethalto was via the air route, Prehal then and then schedule Nov. 14 says his team concentrated on

a running attack in earlier contests.

But now John Duff, the top ground-gainer, is joined by a shoulder injury and although he may see some action against Madison, he's not in the starting lineup. Another senior, Terry Riggs, will start in Duff's right and then two years physically.

Over the years, Highland has been able to defeat Madison in only one of 13 games. That lone victory came last year, 2014.

After tomorrow night, the Trojans have a week off and then end the schedule Nov. 14 at Jerseyville.

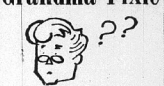

FLAG FOOTBALL, a boys' program sponsored by the Granite City park district, is a regular Saturday event during the fall at Wilson Park. Here, in a 3rd-4th Grade game, ball-carrier David Dombek (white shirt) of the Red Barn Mustangs is stopped by the Rams' Tommy Thaxton. A "fackle" is made by pulling flag from ring on runner's waist.

ARCHERY HUNTER Henry Borih, 2996 Myrtle avenue, proudly stands by an 11-point deer he killed with a single arrow at a distance of 30 yards while hunting a recent morning at the Mark Twain wildlife refuge, Quincy. Its weight field-dressed was 250 pounds. This is the first season the refuge has been opened for bow-and-arrow deer hunting.

Two Granite City youngsters are winners in the zone competition of Punt, Pass & Kick, local director Dick Yates announced today.

They are John Tyler, 13, of 2916 Wayne avenue, and Joe Wallace, 10, of 2715 Iowa street. Both were winners in the local contest held here recently and were declared St. Louis zone winners by comparing scores with those of contest winners in other localities.

The boys will compete in their respective age groups in district competition at 10 a.m. Saturday at Forest Park (behind the Jewel Box) in St. Louis.

Scores of district competitors across the country will be compared to determine the top two boys in each age group. Those boys will then compete in the Co.

Park to Organize Basketball

Basketball Loops

An organization meeting for teams interested in joining the 1964-65 Granite City park district basketball program will be held at 7 p.m. next Thursday at the Wilson Park office, according to Harold Brown, director of parks and recreation.

The leagues, their practice playing nights and gymnasium assignments are: Classic, Monday and Thursday at Prather junior high school; Church, Monday and Thursday at Coalville junior high school; High School, Tuesday and Wednesday at Coalville and Junior High School, Friday at Community Center.

Brown said the basketball program for boys in grades 3-4-5-6 will start Nov. 28 at Coalville. Prather and Nemo schools. Boys should bring their own basketballs and shoes, which are to be carried to the gym.

Percy for Development of Horseshoe Lake

Charles Percy, Republican candidate for governor, charged Otto Kerners with "the most casual neglect of central and southern Illinois" at a meeting Monday evening with Republican leaders of St. Clair and Madison counties. He stressed the need for development of Horseshoe Lake as a park and recreation area.
"These areas," Percy said, "represent a high potential for progress that is not being fully developed by our present administration. Where there should be more prosperity, there is unemployment. Where there should be greater wealth, there is still want."

Highway Priority
Percy also commented on the need for giving high priority to the construction of the Great River Road (Federal Aid Route 131), not only as a scenic route, but as an artery bringing new life to the industrial and agricultural areas of central and southern Illinois. It should be a point of pride for Illinois to complete this project, so that our east bank of the Mississippi could match the progress of our neighbors on the other side.
Discussing Bi-State Development Agency, Percy called for more balanced leadership and control between the two states. "Since the two great areas on opposite sides of the Mississippi are mutually dependent in terms of economic and cultural development, we should seek every possibility for cooperation."

Bi-State Transit Shows \$2676 Profit for Month

The Bi-State Transit System made a slight "profit" in September for the first time since May, but for the 12 months ending Sept. 30, the system had a deficit of \$37,700, the extra amount needed to meet operating expenses and other fund requirements.
The surplus was \$2676 over operating expenses and requirements of its first indenture. It was reported this week. In May the surplus was \$18,000. Both amounts went into the capital improvement fund.

H. Wayne Wallace, 61, Dies Here of Cancer

If Wayne Wallace, 61, Collinsville, maintenance engineer at the YMCA for 17 years, died in St. Elizabeth Hospital at 11:30 a.m. Tuesday, following a long illness. Death was due to cancer. He had been a patient in the hospital for the past 10 days.
Mr. Wallace was born in Lintner, Ill., and had lived in Collinsville 24 years.
He is survived by his wife, Mrs. Edna Wallace; his mother, Mrs. Maude Wallace, Cerro Gordo, Ill.; four brothers, Homer Wallace of Warsaw, Ind.; Ralph Wallace of Decatur, Ill.; and Robert and Forest Wallace of Hammond, Ill.; and three sisters, Mrs. Elmer (Gladys) Turney, Hammond, Ill.; Mrs. Edward (Helen) Vance, Peoria; and Mrs. Jack (Eloise) Hiser, Decatur.
An obituary notice will be found elsewhere in this issue.

Bennett Indicted for Murder by Grand Jury

Wilfred C. Bennett, 29, of 2800 Idaho avenue, was indicted for the murder of a St. Louis taxi cab driver Monday by the Madison county grand jury. Bennett was arrested in St. Louis after the bullet-riddled body of Frank Lafata, 38, was found on Sept. 16 in a field off West Ponton road north of the A. O. Smith plant.
Bennett is being held without bond in the county jail at Edwardsville pending prosecution of the case. He was recently brought to this county from St. Louis on a governor's warrant after he refused to waive extradition.
The grand jury was recalled Monday to consider criminal cases arising since Sept. 21 when it made its initial report. The jury is still in session.

'Y' To Close For Rites For H. Wayne Wallace

The YMCA will close from 1 to 5 p.m. Friday for funeral services for H. Wayne Wallace, Collinsville, who died in St. Elizabeth Hospital Tuesday morning. It was announced by "Y" Director C. A. McMillan.
Mr. Wallace was maintenance engineer at the YMCA for 17 years. He underwent surgery a year ago and left his job at the "Y" last August. Services are to be held at 2 p.m. Friday in Collinsville.

Undergoes Surgery

A. H. Hoelster, 2260 Lynel avenue, is recovering at Cochran Veterans Hospital in St. Louis from surgery which he underwent Tuesday.

Niedringhaus PTA Reduces Number of Meetings

Mrs. Arnold Fleishman was 52% of the parents of children elected secretary of the Niedringhaus PTA at a regular meeting of the organization first week of November.

The speakers of the evening were John Seidenberger, executive director of the United Fund, and Brian Bronsman, youth director at the YMCA. Group of monthly sessions followed and the meeting was extended by Bronsman to the parents to visit the May, with the exception of November when National Education Week will be observed.

Mrs. James Elmore announced a total membership at the present time of 282, approximately.

Federated Clubs Meeting Today

All federated club women in this area have been invited to the fall meeting of the 22nd District, Illinois Federation of Women's Clubs, today at the United Church of Christ, Waterloo.

The Waterloo Women's club, headed by Mrs. O. C. Bassler, is the hostess club and will be assisted by club members in Monroe county. Mrs. Leland H. Buckley, district president, will preside.

The district program chairman, Mrs. J. W. Christy, Collierville, has announced that Dr. Marian A. Taylor, associate professor of English, southwestern Illinois University Humanities Department, Alton branch, will present the afternoon program. Dr. Taylor's subject will be "Women of India," accompanied with exhibits of scarves and jewelry from India.

During 1960-61, Dr. Taylor was a Fulbright lecturer, Grade A, in India, teaching American culture and literature at the University of Jammu and Kashmir and the University of Saurashtra. She is listed in Authors and Writers' Who's Who and Who's Who in American Education.

She received her doctorate of philosophy from the University of Iowa, has spent two years in Japan as an Army wife, published a book of impressions of Japan in London, "American Geisha," and a novel, "Whiz," and has written numerous short stories, plays and articles in this country and abroad.

Mrs. J. Curtis Taylor, vice-president, Southern Region, gave the morning address. Citation awards for community improvement were presented by Mrs. Buckley.

Mrs. Fred H. Haug, president of the Ladies Coterie, Granite City, gave the response for the day.

Local chairmen making reports are Mrs. Robert Chapman, Wesley Weinel Memorial Music; Mrs. Arthur Buente, Park Ridge School for Girls; and Mrs. Leo Schermer, legislation.

Eagles Auxiliary Plans Projects

A meeting of Eagles Auxiliary 1126 was held Tuesday evening with Mrs. Deloris Kleish, president, in charge.

A letter of thanks was read for a contribution made by the group to "The Chapel of Four Chaplains," and handmade aprons were displayed by Mrs. Helen Lipchik, chairman of that work. The proceeds from the apron sale will be used for a project, the Hy Sky Girls Ranch.

Announcement was made of a pillowcase party Nov. 8 and a rummage sale Nov. 13. Proceeds from both events will be used for other charitable purposes.

The Eagles Auxiliary Band will entertain patients at the Madison County Sanatorium today, with a Halloween party. Also planned is attendance at the southern Illinois zone rally in Murphysboro Oct. 30 through Nov. 1.

Mrs. Frances Steinman and Miss Sylvia Roy served refreshments from a buffet table decorated in a Halloween theme. Prizes in games were won by Mrs. Theresa Daigler and Mrs. Frances Paskel.

The Auxiliary's anniversary will be celebrated Nov. 10 with past presidents as guests of honor.

Car Hit on 19th Street

Ronald Kuehler, 21, of 2103 Collinsville avenue, Madison, told Granite City police that while he was driving west on 19th street, a hit-and-run driver ran a stop sign at Grand avenue and damaged the left rear fender of his car at 9 a.m. Wednesday. The police report showed the owner of the other car was a Venice woman.

Auto Window Broken

James Williams, 4149 Patton road, reported at 11:30 p.m. Tuesday that a vandal threw a brick through the rear window of his 1958 auto while it was parked between 3 and 11 p.m. on the Granite City Street Co. parking lot at 20th and Sash streets.

Youngsters Solicit \$100 In Unicef Campaign

Fifty children of the Junior Presbyterians Church collected \$100 for Unicef this week. The party was planned and supervised by Mrs. David B. Thompson, Dale Res, Mr. and Mrs. Austin Witter, Mrs. James Maxon and her fifth grade class, Emily Anderson, Mark Belcher, Leibelter, Mrs. Jack Kuhlman, Mrs. Mary Lou McCarty, Teresa Crawford, Judy Garrison, Carol Jackson, Bob Kosta, Derek Res, Jim Throne, Mike Tucker and David Huff. Other teachers and parents assisting were Mrs. Malcolm Thompson, Dale Res, Mr. and Mrs. Austin Witter, Mrs. James Maxon and her fifth grade class, Emily Anderson, Mark Belcher, Leibelter, Mrs. Jack Kuhlman, Mrs. Mary Lou McCarty, Teresa Crawford, Judy Garrison, Carol Jackson, Bob Kosta, Derek Res, Jim Throne, Mike Tucker and David Huff.

After their tour the children gathered at the Maxon home for games and refreshments. Before soliciting the children were shown a film explaining the assistance Unicef affords to the many needy children throughout the world, and Mark Pickett of the Aero-Dress Dairy supplied the group with milk cartons with which money was collected.

Labrador and Shepherd Dogs at GC Shelter

A friendly, full-grown black Labrador retriever and a brown and fawn female German Shepherd, about eight to ten months old, are presently housed at the Granite City animal shelter on Highway 3 near the RC Cola Co. plant. Albert Young, humane officer, said both dogs are in good condition and appear to be family pets.

Several other breeds are among those in custody at the shelter and anyone missing a pet may contact Young there between 9 and 10 a.m. and 2 and 3 p.m. any weekday, or call TR 7-6111.

SATURDAY - 9 A.M. to 5:30 P.M.**

"Where?"

"What?" Finis! The Living End!

Last 2 Days! Last 48 Hours! Last 2880 Minutes!

Sorry!
We don't mean to be a nag, we just want to make sure you heard the bell! All good things must come to an end and we are fast coming to an end of the first phase of our "Golden 50th" Founder's Day sale. Now, before we launch the second stage of this gala celebration, we must clear our floors of odds and ends to make room for all the special holiday merchandise now arriving. Come on in and make your selection on Friday from 9 to 8:30 or on Saturday from 9 to 5:30. Be sure to get here early; you'll be glad you did!

Top Soccer Leagues

With three weeks remaining in the regular YMCA soccer program schedule, three undefeated teams are leading their respective divisions.

Mexican Honorary Commission (7-0-0), which has allowed only one goal by opposing teams, heads the A Division. Gilch of Agency (8-0-0), allowing only two goals, tops the B Division. Division in the Midget Division.

After the regular season ends, the teams will compete in a playoff series.

Maxwell Pockets \$6467

Dal Maxwell of Granite City received \$6467, a three-fourths share, as his World Series court for the St. Louis Cardinals, Commissioner Ford Frick has announced. Maxwell spent about two months of the season in the minor leagues.

Fire Demonstration

Newly-chartered Cub Scout pack 14 of St. Margaret Mary parish met Monday evening at Sacred Heart school and saw a fire prevention demonstration by Assistant Fire Chief Curtis Donley and Fireman William Peterson. The Cubmaster is Kenneth Wood.

Boys named winners in an annual mask contest were David Costello, Gregory Silver, Steven Sparoff, Steven LeBlanc and Billy Schmeke.

In an awards ceremony, Bobcat awards went to Steven Reinagle, William Turcott, Edward Gerber, Steven Sparoff, Gregory Bauer, Mitchell Blum, William Laub, Robert May, Ronald Parente and John Serich. Bear, Kevin Chapman, Eric Rozick, Bruce Kelly, William B. and William Schmeke, two silver arrows, Kevin Chapman, Wolf, Joseph Vaughn, Eric Rozick and William Herli, Lion, Bruce Kelly, denim stripes, Michael Costello.

Registration

YMCA wrestling team will due to accept registrations such November, Coach Spike McMillan said today. He said more than 20 wrestlers turned out for the first of the workouts, which will prepare the team for the O'Fallon AAU championships in March. The team is open to boys participating in a school wrestling program and for high school grads. Classes are held on Saturdays.

One-Armed Bandit

Escapes from Jail

The desk sergeant at the Granite City police department was making his routine check of the jail after returning for work at 5 a.m. today when, to his amazement, he discovered that one of the prisoners was gone. The cell block was locked.

The missing fugitive is Larry Morris, 22, who was being held for California authorities on two counts of armed robbery and for parole violation.

Gorline apparently walked away last night, with his pockets and one shirt-sleeve empty. The fugitive, an amputee, left his wooden arm in a suitcase and his other possessions in the custody of the night desk officer. His pants, size 32-32 and no identification papers.

Only one other man was in the "place" when he was released this morning. A motorist, arrested Wednesday for carrying a dangerous weapon, was permitted to leave the cell at 9:30 p.m. and he was released on bond at 11 p.m. Police believe that apparently the cell block was left open momentarily while a phone call was made, and Gorline slipped out.

It was the first time in the history of the county that a prisoner escaped from the local jail. Gorline, who was arrested Sunday at Kippatree Homes, was described as being 5 feet, 8 inches tall, weighing 140 pounds and having brown hair and brown eyes.

New Industrial

Plan Bid Made

A metropolitan area plan for an industrial development program that would promote industrial expansion and attract new industry to the area was presented to representatives of three East-area manufacturers association Tuesday by D. Reid Ross, director of the Business and Industrial Development Commission, St. Louis county.

The program was discussed with William F. Hoelscher, secretary-treasurer of the Manufacturers' Association of the Tri-Cities; Frank Mansfield, manager-secretary of East Side Associated Industries; and Tom Butler, general manager of Alton District Manufacturing association, and members of the boards of the three associations.

The proposal calls for organization of a group of representatives from county governments, business firms, educational institutions and labor, the entire area on both sides of the river to handle research, promotion, support of legislation and improvement of labor conditions.

Citizen Aid to be

Sought for Rink

At Wilson Park

A panel of leading citizens will be asked by the Granite City park district to discuss possibilities of constructing an ice rink in Wilson Park and probe ways of financing such a project.

The decision was made at the park board's meeting last night. President Barry Loman said the board hopes to have a list of about 20 individuals within two weeks and that a meeting can be arranged in the near future. The board has been considering construction of a skating rink for some time but enthusiasm has been dampened by the prospects of cost in the neighborhood of \$230,000.

"We want these people to give us suggestions on financing and whether or not we should even attempt such a project," said Loman. Added vice-president Milton Worthen: "If they turn thumbs down on it, we'll just forget about it. We can't do it without the help of civic-minded citizens."

Approximately 12 million bicycles are in use in the United States.

A Halloween party was held for Girl Scout Troop 170 at Madison junior high school Tuesday afternoon with the leaders Mrs. Jackie Frizzell and Mrs. Betty Stroder, assisting.

Games and records were played prior to refreshment time, which was enjoyed by Laura Wilson, Sandra Derner, Phyllis Frizzell, Ruby Young, Mary Nell Stroder, Kathy Brassfield, Angela Richardson, Jackie Adams, Norma Kelly, Sharon Morgan, Connie Biochowski,

Those taking part were Rev. and Mrs. Eugen Beasley, Mr. and Mrs. Lyman Vandermark, Mr. and Mrs. Robert Graves, Mr. and Mrs. David Richardson, Mr. and Mrs. Louis Creighton, Mr. and Mrs. Wesley Clemons, Mrs. Ruby Koller, Mrs. Meta Wilkins, Mrs. Katherine Okia and the class teacher, Mrs. Estella McBrien.

The tables were decorated in keeping with Halloween, with a large pumpkin as centerpiece and candy ghosts for favors. Mrs. Virginia Gail, Mrs. Ruth Winters and Mrs. Carrie Gresham were on the committee for decorations and refreshments.

Mrs. Nettie Gnojewski entertained the Po-Ke-No club in her home, 1008a Fifth street, Tuesday.

Mrs. Veronica Kula, Mrs. Betty Allen, Mrs. Marie Stawski, Mrs. Hazel Hinson, Mrs. Pat Gerkin and Mrs. Hazel Swigert were present.

Games were played before and after a luncheon served by the hostess. Mrs. Swigert received the top award. Mrs. Hinson will be the hostess.

A passenger was hurt as William B. Willoughby, 2035 Delaware avenue, ran a stop sign at 18th and State streets at 10 p.m. Monday and struck a car driven by Ronald Teachener, 2809 West 22nd street.

Suffering minor injuries was Vurbon Stark, 2101 Dewey avenue, who was riding in Teachener's auto. Willoughby said he was headed north on State

The committee called for a following report at another public meeting at 7 p.m. Nov. 12 and if progress is not satisfactory, Nonn said city representatives will go to Springfield to help expedite the project.

Recruiting of Girl Scout Leaders to be Stepped Up

Improvement of the recruiting program for adult Girl Scout leaders was stressed at the 51st county meeting of the River Bluffs Girl Scout Council held yesterday at St. John United Church of Christ here and attended by 110 leaders. Mrs. George Eubanks, council president, presided.

The meeting stressed progress toward attaining the eight 1965-66 triennial goals which were adopted in May. Further improvements are to be stressed for development of two primitive camps and for better means of communication.

The leaders and neighborhood council present agreed the council was making progress toward attaining the goals but sought methods for further improvement. The fields covered included personnel, services, public relations, finance and camps. A water safety program for Camp Lakota, utilizing the lake was suggested.

Also on the program was Walter Wood of Godfrey who showed pictures of birds "on the wing" which he has taken as a hobby. Wood said he would arrange to give showings to individual troops.

Cong. Price Attacks GOP Defense Report

The McElroy Republican "Back Force report" on nuclear and defense policies is a politically inspired document that is extremely ill-informed and very definitely not based on facts," Cong. Melvin E. Price of East St. Louis told a Democratic political rally in a meeting at Venice Monday night.

Price, chairman of the Research and Development subcommittee of the Joint House and Senate Committee on Atomic Energy and a ranking member of the House Committee on Armed Services, answered the Republican claim that the U. S. is neglecting weapon's development by pointing out that the U. S. government has conducted 36 underground tests in the past year to advance weapon technology and pointed out that \$350,000,000 is included in the present budget for testing and test readiness, a 50% increase over the \$127,000,000 available the year before.

Mr. McElroy is a poor one to be criticizing the Johnson administration in nuclear weapons safeguards," Congressman Price said. "During the period 1958-59, while he was serving as Secretary of Defense, the Republican administration entered into a test ban moratorium, and the Defense department, under his direction, instituted no safeguards whatever."

"Under the Kennedy-Johnson administration, we entered into a limited test ban treaty and concurrently instituted a number of specific safeguards, including a vigorous underground test program, as well as an atmospheric readiness program. McElroy's reports are political in nature and in purpose."

Democratic Rally Set Sunday in GC

A Democratic party rally will be held at 2:30 p.m. Sunday at the Hungarian Home, 1801 Spruce street. It was announced today by City Democratic Chairman William Warfield.

Warfield said Sen. Alan Dixon of Belleville will be the featured speaker, and other special guests will be candidates for county offices attended the meeting and spoke before a crowd of about 300 persons.

Attendants 50 Years Ago

Due to a misunderstanding by the family of Mr. and Mrs. John Phillip it was stated in Monday's issue of the Press-Record that Mr. and Mrs. George Bodt of Glen Carbon, were attendants at the wedding of Mr. and Mrs. Phillip 50 years ago. Instead the attendants were Mrs. Rose Mayhew of this city, the former Rose Groffinger, and Matyas Haydu, best man. In an account of the golden wedding celebration of the couple one of the sons, Andy Phillip, was listed as residing in Florida. His home is in Rancho Mirage, Calif.

Park District's Bowling For Youngsters Planned

The sixth annual Saturday bowling program sponsored by the Granite City Park District for fifth through 12th grade students will get under way on Nov. 7, at the Tri Mor Bowl on Nameoki road. It was announced today by Park Sup. Harold Brown.

The recreational program which will continue until March 27 has been expanded this year. Brown explained, to include

fifth and sixth grade boys and girls as well as junior and senior high age levels as in previous years.

Leon "Russ" Chappell, Granite City high school sophomore football coach and Miss Cheryl Orsmond, a physical education major at SWIU East St. Louis campus, will supervise the 21-week program.

Team sponsors, secured by the Park District, will provide let-

tered sweatshirts for the student-bowlers. Brown said, and added that no prior registration is required, with those interested to report to the bowling alley on Nov. 7.

Five-member teams will compete in four separate leagues: senior high girls' league; junior high girls'; a combined junior and senior high boys league; and a fifth and sixth grade boys and girls mixed league. Participants

may select their own team members, or may be assigned to a team when they report to the alley.

Two games will be bowled each session at a cost of 25 cents per game with league play at 9 a.m. and 1 p.m., the choice of time depending on the teams involved, Brown said.

Concluding the program next March, a mother-daughter and father-son bowling tournament

Teen Dems Co-Sponsor Rally for Sen. Douglas

The Granite City Teen Dems co-sponsored the Democratic rally in the Labor Temple recently in which Sen. Paul Douglas was guest of honor. More than 100 persons, including about 30 teenagers, turned out.

Elane Raub, Teen Dems president, opened the rally and introduced George Moran, Granite City candidate for judge of the appellate court who presented remarks.

Other guest speakers included Willard Portell of Granite City, candidate for circuit clerk; Street Supt. William "Bill" Warfield, Granite City Democratic chairman; and State Rep. Lloyd "Curly" Harris, candidate for re-election.

Miss Raub then introduced Sen. Douglas, who commended the Teen Dems for their enthusiasm and help in the election. The senator spoke on voting and the importance of politics to Americans. He also predicted a Democratic victory in November.

The club president presented to the senator with an honorary high school diploma. The diploma included classic-Teen Dem membership card and all ballet and folk dancing. Shesaid the club wanted to acquire takovitch played on a balalaika the reputation that "if the Teen and the current hit tunes of Dens back you, you can't lose."

Sen. Douglas, a former professor at the University of Chicago, discussed atomic weapons and Einstein's theory of relativity, and after receiving his honorary Mail orders may be sent to "Rag membership, he quipped that if it dug a" SWIU campus, Edwards anyone should bring up his age vile.

After his speech the senator, shook hands with those present.

ISU Sets College Day For High School Seniors

Illinois State University at Normal is expecting more than 1500 high school seniors from throughout the state for its annual College Day program on Nov. 11. It will be Veterans Day, a school holiday.

Students will hear university officials talk with heads of academic departments, discuss college life with student leaders and become acquainted with the university in general. High school principals are being asked to handle reservations for students.

Russian Raduga Dancers Set For SWIU on Nov. 6

A full sweep of Russian music and dancing will be captured into an evening of entertainment by 25 performers when a troupe known as the Raduga Dancers visits the Quad-Cities-Edwardsville campus of Southwestern Illinois University on Nov. 6. It is part of the Artists and Special Attractions series.

Raduga is the Russian word for rainbow, and the spectrum of performers when a troupe known as the Raduga Dancers visits the Quad-Cities-Edwardsville campus of Southwestern Illinois University on Nov. 6. It is part of the Artists and Special Attractions series.

Tickets are \$1 for SWIU students and \$2.50 for other students. Tickets are \$1 for SWIU students and \$2.50 for other students. Tickets are \$1 for SWIU students and \$2.50 for other students.

After his speech the senator, shook hands with those present.

The world's leading acoustical experts made the test.
The U. S. Auto Club certified the results: at 20 mph... at 40 mph... at 60 mph...

The 1965 Ford rides quieter than a Rolls-Royce!

Prior to the introduction of the 1965 Ford, the country's leading automotive writers drove the new models at Dearborn. Most of these experts remarked about the extraordinary quietness and smoothness of the Ford ride. An automotive writer, in *Mechanix Illustrated*, said, "If there is a quieter car made in this country, I haven't driven it."

New Rolls-Royce Silver Cloud III during series of tests.

to be slightly quieter at all speeds.

The official test report reads, in part: "At all moving speeds, on both courses, the Fords were quieter than the Rolls-Royces."

The Difference... The sound level difference, to be sure, is small—but it is there. At 20 miles an hour, Ford was actually 2.8 decibels* quieter than Rolls-Royce. At 40, Ford was 5.5 decibels* quieter. At 60, Ford was 4.9 decibels* quieter.

Take A Test Drive... A key and a warm welcome await you at your Ford Dealer's. The key, incidentally, fits in the lock no matter which make it is—symbolic of the hundreds of advances you'll find in any Ford you road-test. Come in and see for yourself.

*Decibels are the universal recognized unit for measuring the volume of sound.

This quiet achievement, Ford chose to make a documented test against the world's finest luxury car—Rolls-Royce.

Bolt, Beranek and Newman, Inc., world's leading acoustic consultants to government and industry, conducted the tests under supervision of the authoritative United States Auto Club. All cars were tested to factory specifications.

The Result... The Fords proved

20	67.4	72.3	4.9	
40	75.9	81.4	5.5	
60	82.6	85.4	2.8	

TEST CONDITIONS: Dry, level, moderately smooth concrete divided highway; light, quartering wind. All cars operated at steady 20, 40 and 60 mph with all windows and vents closed. TEST EQUIPMENT: Bruel & Kjaer precision octave band analyzer, recording through direct observation and through Nagra precision tape recorder. Data expressed in Perceived Noise decibels. TEST CONDUCTED ON September 24, 1964, by Bolt, Beranek and Newman, Inc., of Cambridge, Mass., world's largest acoustic consulting firm.

TEST CERTIFIED by the United States Auto Club. CARS TESTED: Two brand new Rolls-Royce Silver Cloud III sedans, V-8 with automatic transmission, list price in New York \$16,655 each. Next Hootenanny at YMCA Set on Nov. 14

The YMCA has scheduled its next Hootenanny from 10:30 a.m. to noon on Nov. 14 in the Teen Town lobby following the one last Saturday.

At the last event, Chuck Kilbison, local entertainer, sang a variety of songs ranging from authentic folk songs to modern rock and roll. He accompanied himself on the guitar.

Another feature was Linda Sabo, Jackie Odum and Steve Scarborough, all high school students. The girls sing and play electric guitars and Steve came in on the drums. They have developed an original style and a variety of songs.

Dave Walker, youth director, led the singing with Chuck and was master of ceremonies for the shindig.

Scheduled for the next Hootenanny are the feminine Beatles and a program of jazz music.

Halloween Party Set for Junior Hi-Y, Tri-Hi-Y's

Junior Hi-Y and Tri-Hi-Y clubs will hold a Halloween party from 7:30 to 9:30 p.m. Friday in the lobby of the YMCA Teen Town.

Mrs. Geena Norman, who has been conducting classes in ballroom dancing, will be in charge. Music, games and refreshments will be featured.

All junior high students in the area are invited. Club members and members of the "Y" will be admitted free, and non-members will be charged a 50-cent fee.

Club meetings for this Saturday will include slides and information for members on work done by YMCAs in foreign countries. World Service Day will be on Nov. 7, and all club members will be selling candy mints together with the senior clubs.

Junior high students interested in participating in judo, junior life saving, wrestling, trampolining, recreational swimming and dancing may register with Mrs. Bonnie Fuller, junior high club director, by calling or visiting the "Y" to speak with the instructors.

ATTORNEYS FOR MORAN
DEMOCRATIC CANDIDATE FOR APPELLATE JUDGE

Dear Fellow Citizen:

Seldom do as many Madison County lawyers as are listed on this letter come to a unanimous opinion on any given subject. But one notable exception to this rule is George J. Moran, Democratic Candidate for Judge of the Appellate Court of the 5th Judicial District of the State of Illinois. We collectively endorse his candidacy.

We attorneys are uniting with the rest of our community behind a man who is one of the outstanding attorneys in this area. George J. Moran is admitted to practice before the United States Supreme Court and the Illinois Supreme Court and cases which he has argued before both of these courts have led to important developments in the law on both state and national levels. He is an outstanding lawyer on the trial level as well as in the appellate courts. In addition to his achievements in court, he has written articles for publication in legal periodicals in Illinois as well as other states.

George J. Moran is Madison County's candidate for this important office and we are proud to join with the lawyers throughout the State in endorsing his candidacy.

Sincerely yours,
William E. Brandt,
Chairman, Attorneys for Moran.

'Y' Tour of Springfield For Children on Nov. 7

The YMCA youth department is sponsoring a winter schedule of trips and tours which will take Quad-City children to points of fun and interest both in the metropolitan area and to places more distant through Illinois and Missouri.

The program will start Nov. 7 with a full day's visit to Springfield. Included in the tour will be Lincoln's home, museum and tomb, the state capital building and governor's mansion.

All area children are eligible to attend, but those under seven years old must be accompanied by a parent. The cost will be \$2.50 per child, and all are advised to take a box lunch. A bus will leave the "Y" shortly after 7:30 a.m. and will return at about 6:30 p.m.

The program follows closely that of the summer "Trips" program which proved to be very popular last summer, according to David Walker, youth director. More than 200 children visited Scott Air Force Base, Pere Marquette state park, Grant's farm and other places.

Winter trips will continue through March. Registration may be made by phoning the YMCA.

Nancy Woodward Student Teaching at Mattoon HS

Nancy Woodward, daughter of Mr. and Mrs. Albert B. Woodward, 2823 Madison avenue, is one of 13 Eastern Illinois University seniors currently doing student teaching.

Miss Woodward, an English major and history minor, is teaching English at Mattoon high school. At Eastern, she is a member of the English club, Women's Athletic Association and the Newman club.

Touring New York Actors Booked for SWIU Return

Touring players of New York's Circle in the Square theatre have been booked for a return engagement Nov. 11 by Southwestern Illinois University's special meetings and speakers committee.

The troupe will perform Eugene O'Neill's "Desire Under the Elms" at 8:15 p.m. in the auditorium of the East St. Louis center. Admission will be free.

Students May Apply for NROTC Exams to Nov. 20

High school seniors and graduates have until Nov. 20 to apply for the Navy's Reserve Officer Training Corps. Applicants will receive the nation-wide competitive examination on Dec. 12 as the first step toward an appointment as midshipmen.

A successful student may earn a commission while studying at one of 52 civilian colleges which have an NROTC unit. All tuition, fees and books are furnished by the navy, and the student receives a \$30 per month retainer. Forms are available at local high schools.

INDIAN ARTIFACTS, part of a larger Indian relics display housed on the second floor, of the Madison County Historical Museum, are arranged by Mrs. Louise Ahrens, assistant superintendent, in a downstairs entrance room. Seated at left is Museum Supt. Edson Smith completing identification cards for Saturday and Sunday's open house. A collection of campaign and souvenir badges, some dating back to the mid-1800's, is seen in the wall case at the upper right corner.

County Historical Museum Opens Saturday

Ribbon cutting ceremonies to old renovated Weir residence.

Weather permitting, refreshments will be served on the lawn both days with an area high school band to play musical selections on Saturday afternoon.

Presiding over the opening ceremonies will be Harold Landolt, chairman of the Madison county board of supervisors, assisted by Leslie Prehn, president of the Madison County Historical Society.

State Sen. Paul Simon of Troy will be present Saturday afternoon to autograph copies of his new book, "Lovejoy, Martyr To Freedom," published by Concordia Press, St. Louis, which is to be placed on public sale for the first time at the museum Saturday.

Displays, Exhibits Visitors may tour the various rooms and exhibits escorted by a corps of guides selected from different parts of Madison county under the direction of Mrs. Matiland Timmermeier of Alton. A major display to be shown to the public for the first time is one depicting a typical Madison county home in the 1830-1850 period.

Other exhibits will include the mantle and family piano from the Lovejoy home in Alton; a 100-year-old cradle with a foot pedal; a mastodon's tusk, an aboriginal death mask excavated in Alton; clothing from the pre-Civil War era, Indian artifacts and coin collections.

During Sunday's open house, members of the Historical Society will hold a formal meeting

Jantzen does the sneaky stretch pants

What's so sly about the Jantzen stretch pants? For one thing, the elasticized waist... takes the pull away from there and distributes it up and down, where it belongs. For another, the bright blend of stretch nylon and Orlon® acrylic... wear it, wash it, and the stretch stays snappily in the pants. Thirdly, the sneaky way Jantzen solves the stirrup problem... engineers the Instep for a smooth line from waist to foot in the "Firesider" pant, eliminates it completely in the stays-down-by-itself knit "Stretchski." And of course, Jantzen's final stroke of genius... doing the crafty stretch pants in can't-miss colors. Pretty clever.

Here They Are—236 Running for Representative—177 to be Elected

Final preparations for Tuesday's general election—in which more than 100,000 Madison county voters are expected to cast their ballots—are underway today as the office of Miss Eulalia Hoiz, Madison county clerk, continued distribution of official ballots and extra ballot boxes and supervised installation of voting booths.

Because of the complexity of the election this year, involving six different ballots for each voter and a multiplicity of instructions on voting the different issues, distribution of election supplies has been a week-long project. With each voter scheduled to receive six ballots, a total of more than 600,000 official ballots must be delivered to the county's 174 precincts.

Orange Ballot Boxes
In addition, special orange boxes in which voters are to cast only the large, orange ballot for state representative candidates, are being distributed on the basis of one box for each 500 voters registered in a precinct. Under the law governing the Legislative race, not more than 500 Representative ballots are to be cast in each special ballot box.

The Legislative Ballot, three feet long and one foot wide, contains two columns of candidates. Each column includes 118 names. The column on the left side of the ballot lists all Democratic candidates and the one on the right all Republican candidates. Each voter is entitled to a maximum of 177 votes on the Legislative ballot, although he may vote any number he pleases.

up to that maximum. Any ballot bearing more than 177 votes will be invalidated. Since the Legislative candidates are from all parts of the state, the Press-Record presents here a list of the candidates with brief biographical notes to indicate whether or not they are incumbents or are seeking office for the first time. The candidates are:

Re-Elect

ATTORNEY GENERAL William G. Clark

who on June 15 of this year recovered

**\$17,448.08 for Granite City Community
Unit School District 9**

For the first time in the history of our State, WILLIAM G. CLARK, as Attorney General, brought suit and recovered for the schools of Illinois OVER ONE-HALF OF A MILLION DOLLARS in price-rigged overcharges made against 124 Illinois schools during 1954 through 1958 for felding gymnasium bleachers.

THIS IS A REFUND OF YOUR LOCAL PERSONAL PROPERTY AND REAL ESTATE TAXES.

In addition to recovery of these funds, William G. Clark has established a national reputation by creating and enforcing laws designed to protect the public against fraud through false and misleading advertising, charitable solicitation racketeering, and river and stream pollution.

ON HIS RECORD of repayment to your community of funds which can be used to provide a better education for your children and by protecting your rights as a citizen, WILLIAM G. CLARK has earned your support in his bid for re-election.

**ON TUESDAY, NOV. 3, VOTE FOR WILLIAM G. CLARK,
DEMOCRATIC CANDIDATE FOR ATTORNEY GENERAL OF ILLINOIS**

Adv. Placed and Paid for by Lawyers for Clark Committee,

City Bills, Salaries Total \$39,786

A \$3799 bill list and a \$34,987 half-monthly payroll, were approved Monday night by Granite City council members. The bill list included \$1531 for David J. Johnston & Associates, that provided engineering inspection services for the Woodlawn and Ohio avenues motor fuel tax street projects.

The bill had been separated last week, and Alderman Sternberg said that while he still objects to paying 75% plus costs for such work, he had interviewed the contractors and was told the amount of time had been spent on inspection.

The city also paid its second month rent, \$133, for the new sewage treatment plant at the Army Depot. George Klotz, Jr., city attorney, was paid \$75 for secretarial and stenographic help this month, and a monthly allowance of \$30 was paid Alderman Barsch for October.

George J. Hadley Dies in Hospital

George J. Hadley, 71, of 1107 Madison avenue, Madison, died at 1 a.m. Tuesday in an Alton hospital where he had been a patient two years. Death was attributed to infirmities following a lingering illness of 10 years.

Mr. Hadley was born in Chaffee, Mo., and was a resident of Madison 33 years. He was employed for 13 years as a diesel engineer at General Steel Industries, retiring 10 years ago when he became ill.

He is survived by his wife, Nancy Hadley; a son, George E. Hadley, Granite City, and 14 grandchildren.

Funeral services are given in today's obituary column.

Mitchell Kiwanis Club Changes Meeting Place

Mitchell Kiwanis met Monday night for their initial dinner meeting at a new location, the Luna Cafe in Mitchell. Eugene Durvett, presiding, welcomed the group and presided during a brief business session which followed the meal.

Reports were presented by Francis Richardson, financial chairman, and Roy Green, who discussed arrangements for the next meeting place. Preliminary plans were made for a fund-raising project scheduled for later this year. Those present were asked to urge other members to attend future meetings which will start promptly at 6:30 p.m. each Monday evening at the Luna Cafe.

Hospital Fire Safety Movie Viewed by Club

Bernard Pinney, personnel director at St. Elizabeth Hospital and former Granite City fire captain, gave a detailed description of the extensive fire safety measures in effect at the hospital at Tuesday's luncheon meeting of the Granite City Rotary Club, held at the YMCA.

Movies of a practice fire safety demonstration were shown by him, with accompanying commentary.

Removal of patients from the building, closing off of hospital sections, the training of all staff members, and extinguishing of "set" fires were shown. Employees acted as patients for the movie.

Pinney said a safety drill is held monthly and a full-scale demonstration is held quarterly with the assistance of the Granite City Fire Department.

"There is no advance notice of these safety measures," he pointed out. "Hospital personnel have learned quickly and now

know what to do for their patients and equipment no matter what department they may be working in. This knowledge has given them a greater sense of security and will be invaluable should there ever be a fire.

"It's the first five minutes—until the fire department arrives—that is so crucial," Pinney emphasized, "and our people have become trained to make the most of that time in getting their patients to safety."

Both Drivers Arrested

Robert Williams, 2034 Dewey avenue, and Medford Adams, East St. Louis, were arrested after their cars collided at Lincoln avenue and Kate street at 9:10 p.m. Monday in the rain. Adams, charged with failure to yield the right-of-way, told police he did not see a yield sign on Kate street. He is to appear Nov. 7. Williams was charged with driving without a license and is to appear Nov. 6. The car fronts were damaged.

EVERY MEMBER VISITATION this week for Hope Lutheran Church began with visitors being commissioned for their task. The congregation includes not only its local operating program in the annual fall visitation but also the world mission program. The church also is planning a building program which will include a new sanctuary and office wing; present plans call for the project to begin in early spring. Visitors commissioned were (left to right, top row) Henry Soehlin, Elbert Kileman, Robert Krause, Martin Arbeiter, Alvin Accola, Paul Simon and Albert Froemling; (front row) Peter Santagato, Benjamin Lamm, Fremont Arbeiter, Edward Durbin, Herbert Fechner, Henry Wahrenburg and William Bunselmeyer.

Added \$25,000 MFT

An additional allocation of \$25,000 motor fuel tax funds for the Nevada and Ohio avenue improvement projects was authorized by the state highway department, the Granite City council was advised Monday night. Total MFT appropriation for the projects increased to \$55,000.

Persons Moving Since Oct. 6 Lose Right to Vote Nov. 3

Many voters are disenfranchised from voting in the forthcoming election by their failure to report a change of address to the county clerk prior to Oct. 6, the deadline set by state law. But, truly unfortunate, County Clerk Eulalia Hotz says, are the voters who have had to move since the deadline from one precinct to another.

They cannot go to the polls of their previous residence since they are no longer actually domiciled therein, and they have not had the required 30 days residence in their new precinct.

The law, however, provides that voters moving within the same precinct at any time since Nov. 3, 1962, may cast a ballot by signing a Challenged Voter Affidavit at the polls on election day. Judges of Election may not permit the use of this affidavit when the move has been made from one precinct to another.

Women who have married and have failed to re-register, lose the right to vote unless they are still domiciled in the same precinct, and provided further that this marriage did not occur prior to Nov. 3, 1962. Of course, they will be required to complete an affidavit furnished by the Judges of Election.

Prize Winners Chosen In Homecoming Parade
An entry by the Future Homemakers of America in Granite City high school's Homecoming parade Tuesday night was declared the first prize winner. It was an auto decorated with a wooden Indian shooting a Ti-gon with the title "We Love the Warriors."

The second place entry was by the Red Peppers band, depicting a tiger with an arrow through it on the theme "Love That Victory." Winning third was the band of the Future Homemakers of America, which had a 40-foot truck decorated like a football field. On it were a bride, groom and a preacher and was entitled "Get Me to the Game on Time."

Prizes were \$10, \$7.50 and \$2.50. Voted the best entry among out-of-school clubs was a decorated red compact car entitled "The Love Bug" by the Pi Lambda Chi Tri-Hi-Y. The club won a \$5 gift certificate. Judges were Miss Sally Hayes and John Modica, GCIS teachers, Mrs. Betty Daugherty and Dr. F. Bush of Alton.

Man Fined, Bond Set
Frank Sanchez, 24, of Alton was fined \$25 and costs on a charge of illegal possession of alcohol and was released on \$500 property bond on a charge of driving without a license by Magistrate Gasparovic Monday. He was arrested at 1:40 a.m. Sunday at West 21st street and Missouri avenue.

Defective Sidewalk Causes Fall, Injury
The Street committee was instructed Monday night to look into the need for repairs to a sidewalk at Yale avenue and Fehling road where Mrs. Frances Steinhart, 2843 Fehling road, was injured last Aug. 5 in a fall. City Atty. George Pfeiffer Jr., also was asked to study the report from Mrs. Steinhart.

Filofit was given notice from the committee would have a recommendation within two weeks on a firm to provide liability insurance for the city. He added the council might seek a change in state laws so that municipalities would not be responsible for sidewalk and other type mishaps. Rutledge said other states have such a law.

The committee and attorney were authorized to obtain a liability risk insurance policy for the new West Granite fire station under construction.

CD Briefing For Elected Officials On Nov. 19
Local and county government officials from a 12-county area, which includes Madison and St. Clair, are to receive a three-hour briefing Nov. 19, in Muckelroy Auditorium, at the Carbonade campus of Southern Illinois University. It was announced this week by William L. Kisse, Southwestern Illinois municipal air area coordinator.

Purpose of the conference is to inform elected municipal and county officials of new responsibilities in emergency preparedness for their specific areas in support of the national defense program. The briefing will be under the direction of Col. Donovan M. Vance, Illinois civil defense director.

Also expected to attend the briefing are Victor H. Koenig, Granite City CD director and Theodore Todoroff, Madison county director.

Right-of-Way Charge
Robert Lee Muehlhauser of Cole, Ill., was charged with failure to yield right-of-way where a stop sign is present after he collided with an auto driven by the Granite City chapter Wayne Beedle, transportation committee chairman, announced that delivery is expected in four to six weeks.

Special guests at Monday night's session were representatives of the Belleville Educational Mentally Handicapped Class, who plan to initiate a parent-teacher group in the near future.

Mrs. Evelyn Gavin, president, announced the Macenas Society, a local service organization, has again offered to provide entertainment and refreshments for a children's Christmas party, Dec. 12, at St. John Church. All area handicapped youngsters are to be invited.

Miss Patti Tondore and Mrs. Gavin, delegates to the association's national convention held in Oklahoma City earlier this month, reported on the three-day event. Emphasis was placed on improving programs for retarded adults. Mrs. Gavin said, and stressed the need for additional sheltered workshops for therapeutic training and to provide the individual with a greater sense of responsibility.

Established supervised workshops, such as the one presently operated in Alton, have proved far superior than institutional training for the retarded adult, she reported.

Before adjourning, the 25 members heard a representative of GCAARC discuss future plans for the county-wide organization.

GCAARC Buys New Bus, Plans Christmas Party

Granite City Association For Aid to Retarded Children authorized the purchase of a new 24-passenger bus at a cost of \$3950, during a monthly meeting held Monday night at St. John United Church of Christ. Primarily for use on outings and field trips by local handicapped youngsters, the vehicle will be equipped with seat belts and meet other requirements.

Purchase of the bus from Farmington Motors, Inc., marks the largest single project undertaken by the Granite City chapter. Wayne Beedle, transportation committee chairman, announced that delivery is expected in four to six weeks.

Special guests at Monday night's session were representatives of the Belleville Educational Mentally Handicapped Class, who plan to initiate a parent-teacher group in the near future.

Mrs. Evelyn Gavin, president, announced the Macenas Society, a local service organization, has again offered to provide entertainment and refreshments for a children's Christmas party, Dec. 12, at St. John Church. All area handicapped youngsters are to be invited.

Venice ICC Hearing Rescheduled Again

(Special from Springfield)

Hearing by the Illinois Commerce Commission of the application of the city of Venice for relocation of certain grade crossings in connection with the Broadway underpass project has been continued until Dec. 9. The hearing was postponed from the session that was scheduled Monday in Springfield.

The hearing set on Monday was the first scheduled since late last August to give the city time to devise a plan for financing its share of the underpass project, approximately \$400,000. A bond refinancing program advanced by Mayor John E. Lee was turned down by Illinois Terminal Railroad bondholders whose permission was necessary to the refinancing.

Mayor Lee recently outlined a new program calling for revision of the bond ordinance to eliminate annually higher payments on principal costs. If the plan can be carried out, Venice believes it can finance the underpass with city funds.

NEW STYLE SHOP for women, Mandel's, opened today at the new Namok Shopping Center here. Owner J. Bernard Kolker (above) has been in the business 17 years and operates two other shops in the St. Louis area. The shop handles coats, suits, dresses, sportswear, lingerie, and formal and casual wear for women and "junior petites." The grand opening will be a week from today.

Kiwanis Give Approval For Peanut Sale Friday

Permission was given by the Granite City Kiwanis Club to hold its annual Peanut Sale in business districts on Friday and Saturday.

The request was submitted by the club president, Joseph Acquaviva, who said the income from the peanut sale will be used for the club's activities for youngsters and for charitable purposes.

Ill. Power To Replace 2 Sections of Gas Main

Excavation permits for replacement of two sections of gas mains were approved Monday night for Illinois Power Co. by the Granite City council.

A six-inch cast iron main along Pontoon road is to be replaced with a six-inch steel main for a distance of 1200 feet between Namok road and Mitchell avenue, starting Nov. 16. Another section of gas main along Madison avenue is to be replaced in the alley west of Madison avenue in the 1700 and 1800 blocks.

Referred to committee was a request for a 100-foot driveway to be installed on Terrace lane off Johnson road for a new restaurant, Bert's Chuck Wagon, 1537 Johnson road, to be operated by Herbert Tempel.

The council voted opposition and will send a telegram to the Illinois Commerce Commission meeting in Chicago this week to consider rate increases proposed by the National Bus Traffic Association.

Basement Window Broken

Mrs. Joseph Kulatolski, 2000 Grand avenue, reported Monday that two glass blocks were broken out of a basement window on the north side of her home during the past month.

Nestle Co. Wants Block of 21st St. Vacated

No action was taken by Granite City council members Monday night on a request by Nestle Co. for vacating 21st street west of Adams street. The company is offering the city \$2000 for the street which is paved with brick and is 60 feet wide and about 300 feet long.

The proposal was ready for presentation to the council but was held up by the Ordinance Committee. The chairman, Mrs. Bettine, said the ordinance was not in the committee's hands until prior to the session.

Alderman Partey, chairman of the Planning committee, said the matter had been reviewed by that group and was believed to be beneficial to the city since it would provide for future industrial expansion by the Nestle Co., which employs Granite Cityans. He added that the \$2000 purchase price was low and could be negotiated.

May Need Street
However, no motion for first reading was made, and the ordinance was laid over. Nann and Basarich protested the street closing, saying that while the street does not cross the tracks now, it might be needed at a future date when new highways are completed in the area.

Partey pointed out Nestle is hemmed in at the north and has acquired property on the south side of 21st street for future development. No plans have been announced for the tract.

Also held over with no action were ordinances placed on first reading last week, setting 11 p.m. to 6 a.m. closing hours for co-operated laundries, dry cleaning businesses and car washes. The committee said the operators had requested additional time to study the ordinances.

Sewers for Subdivision

Based on first reading was an ordinance setting fees for sanitary sewers in the fifth addition to Luebbers Park Estates subdivision where 75 lots for homes are located. The subdivision, L. Wolf Co., is to install the sanitary sewers, and the city will collect the \$45 tap-in fee and the \$250 monthly rental charge.

The city will keep 15% of the collection for handling charges and 25% for use of trunk lines and lift stations and the remainder will be reimbursed to the sub-divider until his installation cost is refunded. The \$250

monthly rental charge will continue as long as there are outstanding bonds for the Nameok sanitary sewer system since the area will connect onto a Nameok trunk.

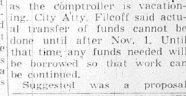

Approved was an ordinance setting a no-parking zone in the 3000 block of East 23rd street for a distance of 40 feet.

Sales Tax for Sidewalk

Also approved was a resolution calling for the use of future sales tax funds for removal and replacement of 300 feet of sidewalk along St. Clair avenue at the property of St. Margaret Mary parish school. The church is planning several driveways and the present sidewalk level does not conform with the street grade.

The city is proposing to consolidate separate funds for such work and sidewalk repairs for the street department to use the funds as necessary. Balances in the two funds were not available as the comptroller is vacationing. City Atty. Fiehoff said actual transfer of funds cannot be done until after Nov. 1. Until that time any funds needed will be prorated so that work can be continued.

street and Washington avenue,
and for Fred Fahnestor to build
a coin-operated automatic car
wash at East 27th street and
Namecki road, adjacent to his
service station.

The zone changes were ap-
proved by the City Plan Com-
mission which notified the coun-
cil by letter Monday night. The
amendments are to be submit-
ed at a later meeting.

Hopkins requested a change
from C-1 to C-2 commercial for
the operation of the used car
lot; while Fahnestor requested a
change from R-3 residential to
C-2 commercial with a special
use permit for the automatic
car wash.

Fahnestor's request for a drive-
way on East 27th street for the
car wash business also was ap-
proved.

Horseradish Crop Harvest To Begin Soon in Area

Harvesting of the horseradish crop in the southwestern part of Madison county and in northwestern St. Clair county will soon be starting. The area is sometimes called the Horseradish Capital of the World. About two-thirds of the United States crop is grown here. There are more than 60 local growers now. Most of them grow 15 to 20 acres and harvest four to ten thousand pounds per acre, or two to five tons, according to Truman W. May, Madison county farm advisor.

Cub Pack 96 Awards Session with Party

A monthly meeting of Cub Pack 96, sponsored by the Maryville PTA, was held Monday evening at the school for awards and a party.

The program featured a Halloween costume contest with more than 30 Cub Scouts in a variety of masquerade costumes.

The opening ceremony was held by Den Six, Mrs. Clyde Sawyer, Den Mother. Prizes in the contest were won by John Ritchie, first; Brad Cowan, second; and Mark Cordell, third.

Kenneth White, Cubmaster, announced a full slate of Den Mothers has been recruited.

Those who have been named are: Mrs. Patricia Baumgartner, Den One; Mrs. Jackie Dickerson, Den Two; Mrs. Jessie Mogdin, Den Three; Mrs. Camille Touglin, Den Four; Mrs. Geraldine Copper, Den Five; and Mrs. Bernice Sawyer, Den Six.

New Cubs installed as Bobcats were Mike Arakaki, Bruce Bennett, Daniel Boone, Lindsay Church, Ricky Dickerson, Michael Fry, Lane Gravatt, David Luckert, Thomas Smith and Edward Stovall.

A one-year pin was given to Douglas Sawyer; Phil Flanagan and Jeffrey Wolf received two-year pins. Wolf badges went to Kevin Johnson, Steve Giehe, and Brad Cotton; Kevin Johnson and Larry Carter were awarded Denner bars; Danny Solenberger, Kevin Johnson, and Clarence Viessman were given gold arrow points; and silver arrow points went to Danny Solenberger, Kevin Johnson and Steve Giehe.

The Pack committee, headed by Lavern Flanagan, chairman, will meet Nov. 19. The next Pack meeting will be Nov. 30.

George Moran to be Bar Forum Speaker

George J. Moran, Granite City attorney, will be one of eight speakers on the faculty of a Negligence Law forum to be held Saturday at the Conrad Hilton Hotel in Chicago under the sponsorship of the Institute of Continuing Education of the Illinois Bar.

Mr. Moran, who is a candidate on the Democratic ticket for appellate court judge of the first judicial district, is scheduled to speak on "Scaffolding Act Cases." His address is first on the program and will begin at 9 a.m.

The Negligence Law forum is one of a series of continuing legal education courses sponsored by the Illinois Bar Association to keep lawyers informed of the latest developments in substantive and procedural law. Moran is the past president of the Madison County Bar Association and the Tri-City Bar Association. He is with the firm of Moran, Beatty and Hiscott.

Procedures in Polling Places

Election Day Tips Given Voter by Miss Hotz

Quid-Citizens who have not received a new voter's registration certificate of identification—a pink card with an expiration date of July 31, 1968—are urged to get in touch immediately with the office of County Clerk Eulalia Hotz at the court house in Edwardsville.

"Don't wait until election day," Miss Hotz advised this week. Although it is not required by law, Miss Hotz suggests that persons carry their pink cards to the polls on election day in case a question arises about the need of proof of eligibility to vote.

Miss Hotz also is urging voters to hand the folded orange ballot to the judge separately from the other five ballots, since it must be deposited by the judge in the orange ballot box provided by the state.

Whether a voter votes all of the six ballots or not, the ballots must be folded and returned to the judge for deposit in the ballot boxes.

Spilled Ballots

Miss Hotz said that if a voter spoils a ballot while marking it, he may return it to one of the election judges who will furnish him with a new one.

No one is permitted by law in the polls except those persons who present proper credentials to the judges of election. Challenge or watchers will be identified by badges supplied by the judges who will receive them from the county clerk with the election supplies.

Brown to Head Eagles Lodge 19th Canned Foods Drive

Jesse Brown has been named at a later date by Painter and to head the Eagles' Lodge 19th annual canned goods drive for supply foodstuffs staples for Christmas baskets distributed by the Salvation Army under its "Tree of Lights" program.

Brown, a past president of Lodge 1128 and a past state president of the Eagles, was named to the post this week by Lodge President John Painter.

Assisting with the organization of the campaign will be Jack Lehme. Brown headed the lodge's first canned goods drive when 400 cans were contributed. Last year the lodge gave over 2000 cans to the Salvation Army.

Announcement of the annual kick-off banquet will be made at a later date.

Arrested in Venice

SPECIMEN CONSTITUTION BALLOT

I, Eulalia Hotz, County Clerk of Madison County, Illinois, do hereby certify that the following is a full, true and correct copy of the official ballot to be voted in the County of Madison, State of Illinois, at the election to be held the 3rd day of November, A.D. 1964.

Eulalia Hotz
County Clerk

PROPOSED AMENDMENT TO SECTION 9 OF ARTICLE IV (Annual Legislative Sessions)

EXPLANATION OF AMENDMENT

This amendment would provide that the "General Assembly" would meet every year instead of every second year as at present. The annual session in the odd numbered years would meet from January through June and would be able to take up any matter. This is the present system. The annual session in the even numbered years would meet during May and June. It would be able to consider only appropriation and revenue bills and matters necessary to the operation of the session itself. This amendment would not change the present power of the governor to call a special session at any time.

"Place an X in the blank square opposite 'Yes' or 'No' to indicate your choice."

YES	For the proposed amendment to Section 9 of Article IV of the Constitution. (Annual Legislative Sessions.)
NO	

PROPOSED AMENDMENT TO ADD SECTION 35 TO ARTICLE IV

(Continuity of Governmental operations in periods of emergency.)

EXPLANATION OF AMENDMENT

This proposal would permit the General Assembly by law to provide for the orderly continuance of Government in case of emergencies, such as might result from a nuclear attack.

"Place an X in the blank square opposite 'Yes' or 'No' to indicate your choice."

YES	For the proposed amendment to add Section 35 to Article IV of the Constitution. (Continuity of governmental operations in periods of emergency.)
NO	

SPECIMEN COUNTY GENERAL FUND TAX PROPOSITION BALLOT

I, EULALIA HOTZ, County Clerk of Madison County, Illinois, do hereby certify that the following is a full, true and correct copy of the County General Fund Tax Proposition Ballot to be voted in the County of Madison, State of Illinois, at the election to be held the 3rd day of November, A.D. 1964.

Eulalia Hotz
County Clerk

INSTRUCTION TO VOTERS: Voters desiring to vote FOR the tax should place a cross (X) mark in the box opposite the word YES. Voters desiring to vote AGAINST the tax should place a cross (X) mark in the box opposite the word NO.

Shall the maximum tax rate for the general fund of Madison County be established at .10 per cent on full, fair cash value, as equalized or assessed by the Department of Revenue, instead of .0566 per cent, the maximum rate otherwise applicable to the next taxes to be extended?	YES
	NO

"Estimate of amount extendable annually under the proposed rate: \$824,260.03; estimate of amount extendable annually under the rate otherwise applicable to the next taxes to be extended: \$466,531.18."
